

Congressman Pence today honored Dr. Donald Reed of Anderson [for 50 years of medical practice in the Anderson community](#)

:

July 20, 2010

Dear Dr. Reed,

It is my honor and privilege to recognize you for your 50 years of medical practice in the Anderson community.

It is with sincere respect that I pay tribute to your service as a neurologist at both Saint John's Medical Center and Community Hospital Anderson. I am inspired by your dedication to the patients that you serve.

Your initiative in starting a neurological practice after learning of the community's need is admirable. You have played an integral role in establishing the exemplary neurology services offered by Saint John's and Community Hospital.

Not a day goes by that I don't recognize the honor that I have to represent you here in Washington, DC. Best wishes to you as you continue to serve Madison County and the surrounding communities.

Sincerely,

Congressman Pence Honors Dr. Donald Reed of Anderson
